This page is used to help us determine what type of vehicle will be required to pick up and deliver your order. Simply indicate whether your shipment is a "Light Package" or would be considered "Heavy Freight." Depending on your selection you will be taken to a page to then input your light package or heavy freight specifications.

5 HOUR	SHIPMENT WILL BE PICKED UP, AT OUR DISCRETION, ANYTIME AFTER THE READY TIME, AND DELIVERED WITHIN 5 HOURS OF THE READY TIME YOU PROVIDED
3 HOUR	SHIPMENT WILL BE PICKED UP, AT OUR DISCRETION, ANYTIME AFTER THE READY TIME, AND DELIVERED WITHIN 3 HOURS OF THE READY TIME YOU PROVIDED

***NOTE: THE FASTEST SERVICE WE PROVIDE IS WITHIN 3 HOURS OF THE READY TIME YOU PROVIDED. IF YOU NEED A DELIVERY FASTER THAN 3 HOURS, WE WILL NOT BE ABLE TO PROVIDE THAT SERVICE.

<<<BACK

NEXT >>>

This page will vary, depending on whether you previously indicated light package or heavy freight. Simply fill in all the required fields and select your service level from those available. The estimated base charge for your shipment is indicated next to the service level options.

***It is important to note the service level descriptions. When you place an order for shipment, the pick up time will be at our discretion. Any time after the ready time and before the due time. The due time is determined by the service level that you selected. Example: 3 hours service level means that the shipment should be delivered by 3 hours after the ready time that was indicated. A Next Day shipment will be delivered by midnight the day after your indicated ready time. We do not make any promises on when a shipment will be picked up by, only on when it should be delivered by.

If you selected “light package,” but your shipment doesn’t meet any of the requirements for “light package,” then your shipment will automatically be converted into a “heavy freight” order with a new set of base charges.

IF YOU ARE NOT AT THE ORIGINATION, AND NEED TO SEND A COPY OF THIS WAYBILL TO ANOTHER INDIVIDUAL TO PRINT OUT AND PLACE ON THE SHIPMENT, THEN ENTER THE INDIVIDUAL'S EMAIL BELOW AND CLICK "EMAIL WAYBILL."

[EMAIL WAYBILL](#)

Once you have submitted your order, simply print out the FleetX waybill and attach the waybill to your shipment. **This waybill is required for our drivers to accept your shipment**, so please make sure it is secure and obviously visible to our drivers. On the waybill, there is an area to sign to acknowledge pick up and delivery of your shipment. This is optional for most, but some customers require it.

If you are placing the order, but are not at the origination, at the bottom of the waybill, there is a text field where you can enter an individual's email, click "EMAIL WAYBILL," and a copy of the waybill will be sent that can then be printed out and attached to the shipment.

***Once again, it is REQUIRED that you securely attach a copy of the waybill to your shipment, otherwise our drivers will not be able to pick up your shipment. Also, please make sure that all three barcodes are visible to the driver.

Once you've done so, you can either "PLACE NEW ORDER" or "RETURN HOME."

CANCEL A COURIER OR FREIGHT ORDER

The new FleetX application allows users to cancel their own orders online, without having to contact a FleetX CSR.

1. Click the “CancelCourier/Freight Order” button.

The screenshot shows the FleetX application interface for 'ORDER CANCELLATION'. The navigation bar includes HOME, TRACKING, REPORTS, ORDER ENTRY, and LOGOUT. The main heading is 'ORDER CANCELLATION'. Below this, there is a 'CANCELLATION SEARCH' section with instructions: '(PROVIDE AS MUCH, OR AS LITTLE INFORMATION AS NEEDED/AVAILABLE) (TO SEE ALL OF YOUR JOBS, LEAVE ALL FIELDS BLANK AND CLICK "SEARCH")'. A note states: 'NOTE: YOU CAN CANCEL ANY ORDER UP UNTIL THE DRIVER HAS ON-BOARDED IT'. The search form includes fields for DOCUMENT NUMBER, JOB NUMBER, PROPERTY (set to 'All Properties'), ORIGINATOR (set to 'All Locations'), DESTINATION (set to 'All Locations'), and SORT BY (set to 'Sorted Time (Ascending)'). A red 'SEARCH' button is positioned below the form. The footer contains contact information for FleetX, including the address: 1122 Wilshire Chapel Road, Suite 100, Grassville, UT 84044-7627, phone number (774) 883-6400, and email info@fleetx.com.

2. Enter as little or as much information you have into the criteria page. (If you leave the criteria section blank, it will display all jobs that you have placed that are eligible to be cancelled. A job can be cancelled any time up to the driver on boarding the order. Once an order has been on boarded, you would need to contact our customer service to cancel that order).

The screenshot shows the FleetX application interface for 'ORDER CANCELLATION' after a search. The search criteria form is visible at the top, with the same fields as in the previous screenshot. Below the form, a table displays the search results. The table has columns for JOB NUMBER, JOB NUMBER, JOB NUMBER, STATUS, and STATUS. The first row shows a job with a 'CANCEL JOB' button next to it. The footer contains the same contact information as the previous screenshot.

3. Once you’ve displayed the any jobs that have been placed, but not picked up yet, simply click the “Cancel Job” button next to the job you would like to cancel.
